**ORDER APPOINTING COUNTY AUDITOR AND
ASSISTANT COUNTY AUDITORS**

I, Pat Phelan, Judge of the 286th District Court of Hockley County, Texas, in compliance with Article 1645, V.A.T.C.S., hereby appoint Shirley Penner of Hockley County, Texas, as County Auditor for Hockley County, Texas, for a term of two (2) years beginning on the 18th day of April, 2020, and ending at midnight on the 17th day of April, 2022, upon her executing a bond and taking the oath required by Article 1649, V.A.T.C.S. The annual salary of the auditor is set at \$58,044.57 plus \$1,800.00 annual county travel allowance, plus any longevity bonus. The auditor shall receive during her appointment annual raises equal to the same percentage increases that the Tax Assessor receives. The auditor's salary shall be paid in equal bi-weekly installments out of the General Fund of Hockley County.

I approve the appointment of the following persons as assistant auditors of the County as recommended by the county auditor and at the salary and benefits specified:

- Sandra Almager, first assistant - \$38,051.02
- Monica Grado, second assistant - \$38,051.02

The assistant auditors shall receive longevity bonus in the same amounts and at the same time as other county employees receive longevity bonus. They shall also receive during their appointment the same percentage salary increases as may be awarded other county employees.

The Clerk of the 286th District Court in and for Hockley County, Texas, is hereby ordered and directed to record this order in the Minutes of the 286th District Court of Hockley County, Texas, and to prepare and certify a copy of this order and then to deliver the same to the Commissioners' Court of Hockley County, Texas, to be recorded and for observance.

8. **EXECUTIVE/CLOSED SESSION** – A closed meeting will be held pursuant to sections 551.071 and 551.129, Texas Government Code (consultation with attorney), for the Commissioners Court to consult with and seek advice from its attorneys regarding: (1) Hockley County’s participation in the 2020 County Transportation Infrastructure Fund Grant Program of the Texas Department of Transportation (“TXDOT”), a program to provide grant funding to eligible counties for the repair or improvement of county roads, bridges, and culverts affected by energy sector activities; (2) Hockley County’s submission of a grant application to TXDOT for said program and all related matters; and (3) any other matter described in this meeting agenda.

Motion by Commissioner Thrash, second by Commissioner Barnett, 4 votes yes, 0 votes No, the commissioners court approved an Order of the Commissioners Court of Hockley County, Texas: (1) approving the annual road condition reports for Precincts 1-4 of said County and all related matters; and (2) establishing an effective date and compliance with the Texas Open Meeting Act recorded below.

9. DISCUSSION/POTENTIAL ACTION – Discussion and potential action will occur pursuant to sections 251.005 and 251.018, Texas Transportation Code, regarding approval of the Annual Road Condition Reports of Precincts 1-4 of Hockley County, Texas, and all related matters.

ORDER NO. _____

AN ORDER OF THE COMMISSIONERS COURT OF HOCKLEY COUNTY, TEXAS: (1) APPROVING THE ANNUAL ROAD CONDITION REPORTS FOR PRECINCTS 1-4 OF SAID COUNTY AND ALL RELATED MATTERS; AND (2) ESTABLISHING AN EFFECTIVE DATE AND COMPLIANCE WITH THE TEXAS OPEN MEETING ACT.

WHEREAS, Hockley County, Texas ("County") is a county of the State of Texas, having been duly created and organized under the constitution and laws of Texas, and further, the Hockley County Commissioners Court ("Commissioners Court") is the governing body of said County; and

WHEREAS, pursuant to Chapter 251 of the Texas Transportation Code and other authority, the Commissioners Court (1) desires by this order to approve and adopt the County's Annual Road Condition Reports for County Commissioner Precincts 1-4 of said county ("Reports") as described in the attached **Exhibit A**, and (2) finds that all conditions precedent have been accomplished to predicate that action.

NOW, THEREFORE, BE IT RESOLVED AND ORDERED by the Commissioners Court of Hockley County, Texas, for and on behalf of said County and in the public interest, as follows:

- (1) Unless otherwise designated, the past, present, or future tense shall each include the other, the masculine, feminine, or neuter gender shall each include the other, and the singular and plural number shall each include the other where necessary for a correct meaning.
- (2) All statements made in the caption and preliminary recitals of this order, and all attached documents, are incorporated by reference.
- (3) The Commissioners Court orders the following: (a) the Annual Road Condition Reports for County Commissioner Precincts 1-4 of Hockley County, Texas are approved and adopted in the form and scope described in the attached **Exhibit A**; and (b) the County Judge shall execute the cover page of the Reports to (i) signify the approval and adoption of the Reports by the Commissioners Court, and (ii) direct the filing of the Reports in the official minutes and as otherwise described in the Reports.
- (4) This order shall take effect immediately from and after its passage.
- (5) This order was considered, ordered, approved, and adopted at a public meeting of the Commissioners Court held in compliance with Chapter 551 of the Texas Government Code, the Texas Open Meetings Act.

ORDERED, APPROVED, AND ADOPTED on the 18 day of May, 2020.

**ANNUAL ROAD CONDITION REPORT FOR PRECINCT 1,
HOCKLEY COUNTY, TEXAS**

I, Curtis Thrash, serving as the County Commissioner, Precinct 1, of Hockley County, Texas, do hereby make and submit my Annual Road Condition Report for said precinct pursuant to § 251.005 of the Texas Transportation Code and other authority.

Report Period

The fiscal year for the County is from January 1 through December 31 of each calendar year. This Report covers the period from January 1, 2019 through the date of this Report. Budget projections are for the fiscal year beginning January 1, 2021.

Interpretation and Definitions

Unless otherwise designated, the past, present, or future tense shall each include the other, the masculine, feminine, or neuter gender shall each include the other, and the singular and plural number shall each include the other where necessary for a correct meaning. All statements made in this Report are true and correct according to my best knowledge and belief. All statements made in the preliminary recitals of this Report and all attached documents are incorporated by reference.

The terms or phrases appearing in this Report, unless specially defined, shall retain their ordinary meaning and customary usage. The following terms, however, have special definitions:

- (a) "Commissioners Court" shall mean the Commissioners Court of Hockley County, Texas.
- (b) "County" shall mean Hockley County, Texas.
- (c) "Degradation" shall mean damage reasonably identified and ascertained by the County to have been caused to a public county road, bridge, culvert, or other transportation infrastructure. Degradation or damage identified in this Report as having been caused by oil & gas traffic, oil or gas exploration, oil field traffic, overweight trucks, or similar phrasing related to oil or gas industry activities shall mean degradation primarily caused by road traffic resulting from the exploration, production, or development of oil or gas.
- (d) "Precinct" shall mean the County Commissioner precinct described in the title of this Report.
- (e) "Public road, bridge, or culvert" shall mean the traveled portion of a public road as well as the public bridges, culverts, drainage ditches, bar ditches, and/or other public transportation infrastructure or equipment located on or adjacent or connected to said road, but said phrase shall not

include state or federal highways, or the public transportation infrastructure located on or adjacent or connected thereto, unless otherwise designated.

- (f) "Report" shall mean this report, including its attached Appendix.

Condition of Each Road, Part of Road, Culvert & Bridge

County Road Identification	Condition of Road	Condition of Bridge or Culvert	Primary Cause of Degradation
See attached Appendix			

The condition of an identified road, bridge, or culvert in the Appendix is described according to the following numerical condition scale: 1 = Very Poor; 2 = Poor; 3 = Fair; 4 = Good; 5 = Excellent.

Funds Required for the Next Fiscal Year

I estimate that \$822,514.00 will be reasonably necessary for the maintenance of the roads in the Precinct during the next County fiscal year.

Number of Defaced Traffic Control Devices

No signs and/or other traffic control devices were defaced or destroyed in the Precinct during the period of this Report.

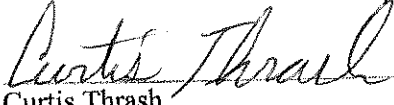

New Roads

In my opinion at this time, no new roads should be opened in the Precinct.

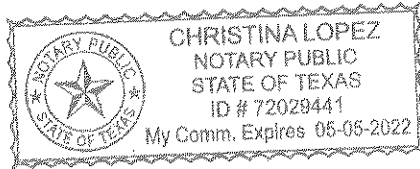

Replacement of Bridges and Culverts

In my opinion at this time, no additional bridges or culverts on the County roads in the Precinct are necessary to be built or replaced for the roads to be in good condition.

EXECUTED this 18 day of May, 2020.

AN ORDER OF THE COMMISSIONERS COURT OF HOCKLEY COUNTY, TEXAS: (1) APPROVING THE INITIATION, PARTICIPATION, AND IMPLEMENTATION BY THE COUNTY REGARDING A GRANT PROGRAM BEING CONDUCTED BY THE TEXAS DEPARTMENT OF TRANSPORTATION ("TXDOT") FOR THE REPAIR BY GRANT FUNDING OF COUNTY ROADS, BRIDGES, CULVERTS, AND OTHER TRANSPORTATION INFRASTRUCTURE DAMAGED BY THE EXPLORATION, DEVELOPMENT, OR PRODUCTION OF OIL OR GAS; (2) APPROVING THE SUBMISSION OF THE COUNTY'S GRANT APPLICATION TO TXDOT FOR SAID PROGRAM, AND ALL RELATED MATTERS; AND (3) ESTABLISHING AN EFFECTIVE DATE AND COMPLIANCE WITH THE TEXAS OPEN MEETING ACT.

WHEREAS, Hockley County, Texas ("County") is a county of the State of Texas, having been duly created and organized under the constitution and laws of Texas, and further, the Hockley County Commissioners Court ("Commissioners Court") is the governing body of said County; and

WHEREAS, pursuant to Article V, Section 18 of the Texas Constitution, House Bill 4280 enacted in 2019 by the Texas Legislature, Chapter 256 of the Texas Transportation Code, and other authority, the County may conduct a project to obtain grant funding from the Texas Department of Transportation ("TXDOT") to alleviate the damage and degradation to county roads, bridges, culverts, and/or other transportation infrastructure caused by the exploration, development, or production of oil or gas, including the acquisition of grant funds for the planning, design, construction, reconstruction, and maintenance/repair of the aforesaid transportation infrastructure; and

WHEREAS, pursuant to the authority herein described, TXDOT currently is conducting the County Transportation Infrastructure Fund Grant Program, 2020 Program Call ("2020 Program"), a \$250,000,000.00 program to provide grant funding for eligible Texas counties to alleviate the damage and degradation to county roads, bridges, culverts, and/or other transportation infrastructure caused by the exploration, development, or production of oil or gas, and further, TXDOT has provided the County with documents (1) explaining the 2020 Program requirements and (2) indicating the County's grant award under said program is estimated to be \$2,105,646.00 at minimum (with a 20% local fund matching requirement) based upon the timely and successful submission of the County's grant application, and thereafter the County's participation in and implementation of the 2020 Program; and

WHEREAS, the Commissioners Court desires by this order to initiate, implement, and complete its 2020 Program project for the County and to obtain grant funding from TXDOT for the aforesaid public purposes, and further, the Commissioners Court finds and determines that (1) the successful acquisition of grant funding from TXDOT for the County's 2020 Program

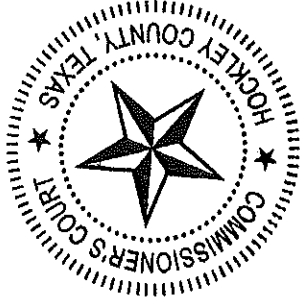

project, and the successful completion of the project, will have a significant, positive, and beneficial effect on the County's public road and bridge system and for the people of the County, including public safety issues, and (2) all public benefits associated with said project, as herein described, shall be obtained or substantially achieved through the County's successful completion of said project; and

WHEREAS, the Commissioners Court by this order desires to approve, adopt, and authorize the timely submission to TXDOT of the County's grant application for its 2020 Program project, in the substantial form and scope described in the attached Exhibit A; and

WHEREAS, the Commissioners Court finds and determines that all conditions precedent have been accomplished to predicate and support the initiation, implementation, and completion of the 2020 Program project.

NOW, THEREFORE, BE IT RESOLVED AND ORDERED by the Commissioners Court of Hockley County, Texas, for and on behalf of said County and in the public interest, as follows:

- (1) Unless otherwise designated, the past, present, or future tense shall each include the other, the masculine, feminine, or neuter gender shall each include the other, and the singular and plural number shall each include the other where necessary for a correct meaning.
- (2) All statements made in the caption and preliminary recitals of this order, and all attached documents, are incorporated by reference.
- (3) The Commissioners Court orders the following: (a) the County's initiation and participation in its aforesaid local project (i.e., the County's 2020 Program project) regarding the County Transportation Infrastructure Fund Grant Program, 2020 Program Call being conducted by TXDOT, as herein described, is approved and authorized to proceed; (b) the County's grant application for its 2020 Program project is approved and shall be timely submitted to TXDOT in the substantial form and scope described in the attached Exhibit A; and (c) the County shall proceed with and complete the timely submission of said grant application and related project documents to TXDOT in compliance with this order, applicable state law, and the active regulations of TXDOT.
- (4) The County Judge is authorized and directed to timely initiate and complete: (a) the execution of the County's grant application for the 2020 Program project and its delivery to TXDOT; (b) the submission to TXDOT of the County's other project documents, as deemed necessary or desired; (c) all necessary or desired communication with TXDOT regarding the project; and (d) the preparation and execution of documents necessary or desired to properly accomplish project tasks.

Re: Hockley County, Texas -- Grant Application
County Transportation Infrastructure Fund Grant Program -- 2020 Program Call

Dear Sir:

Hockley County, Texas ("County"), by and through its Commissioners Court, submits the attached grant application ("Application") to your agency in order to participate as an eligible county applicant in the County Transportation Infrastructure Fund Grant Program -- 2020 Program Call ("2020 Program"), authorized by House Bill 4280 enacted by the Texas Legislature in 2019, Chapter 256 of the Texas Transportation Code, and other authority.

The County has identified in the Application its county projects to be the subject of requested grant funding under the 2020 Program. The County respectfully requests a grant award regarding the 2020 Program to fund those projects because the county transportation infrastructure made the basis of those projects has been severely damaged and degraded by the exploration, development, or production of oil or gas.

Should you have questions, please contact me or our outside legal counsel regarding this matter, Charles R. Kimbrough, Bickerstaff Heath Delgado Acosta LLP, 3711 South Mo-Pac Expressway, Building 1, Suite 300, Austin, Texas 78746, (512) 472-8021 telephone, (512) 320-5638 facsimile, and ckimbrough@bickerstaff.com. Thank you for your cooperation.

Sincerely,
Sharla Baldridge

APPLICATION

Instructions for Completion of Application

The following instructions and information regarding the County Transportation Grant Fund Program – 2020 Program Call (CTIF program or program) will be utilized in completing and submitting the required application documents.

The completed application documents must be submitted electronically to TXDOT at CTIF2020@txdot.gov.

The completed application documents must be emailed to TXDOT by the end of May 27, 2020 (11:59 p.m.). A county may request the use of TXDOT's computer system at any district office location to complete and submit the application documents.

A complete application includes the following three documents:

1. Application form;
2. List of Prioritized Projects; and
3. County road condition report for the preceding year as described by Texas Transportation Code Sections 251.005 and 251.018.

Note that the Application form and the List of Prioritized Projects can be downloaded electronically from TXDOT at <https://www.txdot.gov/government/funding/county-fund.html>.

Application Form Information

A county must indicate under the "Eligibility and Certification Requirements" section whether it received CTIF grant funds under the prior 2014 CTIF program. If the county did receive any such funds, it must provide the funding information requested in items 3-5 of the section and make the certification required in item 6. (Note that this information will not affect any grant allocation under the current program so long as the county provides the certification in item 6).

A county must complete the "Project Funding" section and identify the matching funds to be provided by the county and additionally identify any other potential sources of funding available. County matching funds must be at least 20 percent of the total grant amount or at least 10 percent of the total grant amount if the county has been identified as an Economically Disadvantaged County by the Texas Transportation Commission.

Prioritized List Information

- * A county must include as part of its application a list of prioritized projects that includes:
 - a prioritized list of transportation infrastructure projects (project or projects) to be funded by the program (utilize the attached List of Transportation Projects form);
 - descriptions of the scope of each project and the proposed project work, an implementation plan, a schedule of proposed activities, and estimates of project costs; and
 - the total amount of program funds being requested.

EXHIBIT 2 - LIST OF PRIORITIZED PROJECTS¹

¹ The County has identified in this Application important county projects to be the subject of requested grant funding under the 2020 Program. The County respectfully requests a grant award to fund those projects because the County's roads, bridges, culverts, and/or other transportation infrastructure made the basis of those projects have been severely damaged and degraded by the exploration, development, or production of oil or gas.

LIST OF TRANSPORTATION INFRASTRUCTURE PROJECTS (Prioritized List)

Make sure to prioritize your county's projects and put them in order of most importance to least importance. Total project cost will equal the total grant as reflected in the application (including engineering, right-of-way and utility costs, construction, inspection, etc., as applicable).

Economically Disadvantaged:

If your county is an 'economically disadvantaged county' as determined by Transportation Code 222.053, the State Share will be 90% of the allowable Total Project Cost. If your county is not 'economically disadvantaged', the State Share will be 80%. Upon selection of county name from drop down list, economically disadvantaged status populates automatically. A list of economically disadvantaged counties can be found at <http://tp.do.state.tx.us/pub/county/tdot/2020/edc.pdf>.

**ANNUAL ROAD CONDITION REPORT FOR PRECINCT 1,
HOCKLEY COUNTY, TEXAS**

I, Curtis Thrash, serving as the County Commissioner, Precinct 1, of Hockley County, Texas, do hereby make and submit my Annual Road Condition Report for said precinct pursuant to § 251.005 of the Texas Transportation Code and other authority.

Report Period

The fiscal year for the County is from January 1 through December 31 of each calendar year. This Report covers the period from January 1, 2019 through the date of this Report. Budget projections are for the fiscal year beginning January 1, 2021.

Interpretation and Definitions

Unless otherwise designated, the past, present, or future tense shall include the other, the masculine, feminine, or neuter gender shall include the other, and the singular and plural number shall include the other where necessary for a correct meaning. All statements made in this Report are true and correct according to my best knowledge and belief. All statements made in the preliminary recitals of this Report and all attached documents are incorporated by reference.

The terms or phrases appearing in this Report, unless specially defined, shall retain their ordinary meaning and customary usage. The following terms, however, have special definitions:

- (a) "Commissioners Court" shall mean the Commissioners Court of Hockley County, Texas.
- (b) "County" shall mean Hockley County, Texas.
- (c) "Degradation" shall mean damage reasonably identified and ascertained by the County to have been caused to a public county road, bridge, culvert, or other transportation infrastructure. Degradation or damage identified in this Report as having been caused by oil & gas traffic, oil or gas exploration, oil field traffic, overweight trucks, or similar phrasing related to oil or gas industry shall mean degradation primarily caused by road traffic resulting from the exploration, production, or development of oil or gas.
- (d) "Precinct" shall mean the County Commissioner precinct described in the title of this Report.
- (e) "Public road, bridge, or culvert" shall mean the traveled portion of a public road as well as the public bridges, culverts, drainage ditches, bar ditches, and/or other public transportation infrastructure or equipment located on or adjacent or connected to said road, but said phrase shall not

EXECUTED this 18 day of May, 2020.

In my opinion at this time, no additional bridges or culverts on the County roads in the Precinct are necessary to be built or replaced for the roads to be in good condition.

Replacement of Bridges and Culverts

In my opinion at this time, no new roads should be opened in the Precinct.

New Roads

No signs and/or other traffic control devices were defaced or destroyed in the Precinct during the period of this Report.

Number of Defaced Traffic Control Devices

I estimate that \$822,514.00 will be reasonably necessary for the maintenance of the roads in the Precinct during the next County fiscal year.

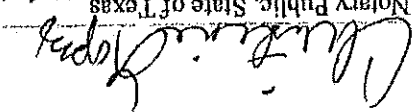

Funds Required for the Next Fiscal Year

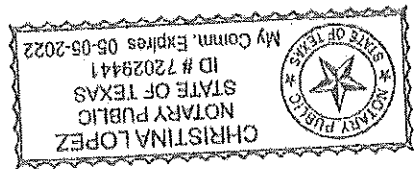

The condition of an identified road, bridge, or culvert in the Appendix is described according to the following numerical condition scale: 1 = Very Poor; 2 = Poor; 3 = Fair; 4 = Good; 5 = Excellent.

 County Commissioner, Pct. 4
 Hockley County, Texas
 Affiant

EXECUTED this 18 day of May, 2020.

In my opinion at this time, no additional bridges or culverts on the County roads in the Precinct are necessary to be built or replaced for the roads to be in good condition.

Replacement of Bridges and Culverts

In my opinion at this time, no new roads should be opened in the Precinct.

New Roads

No signs and/or other traffic control devices were defaced or destroyed in the Precinct during the period of this Report.

Number of Defaced Traffic Control Devices

I estimate that \$798,586.00 will be reasonably necessary for the maintenance of the roads in the Precinct during the next County fiscal year.

Funds Required for the Next Fiscal Year

The condition of an identified road, bridge, or culvert in the Appendix is described according to the following numerical condition scale: 1 = Very Poor; 2 = Poor; 3 = Fair; 4 = Good; 5 = Excellent.

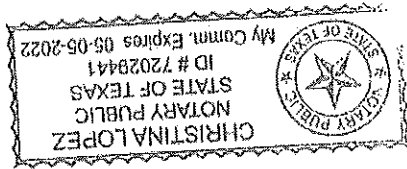

County Road Identification	Condition of Road	Condition of Bridge or Culvert	Primary Cause of Degradation
