NOTARY PUBLIC ERRORS AND OMISSIONS GROUP POLICY

Policy No. 18242784
Premium \$422.25

WESTERN SURETY COMPANY (the "Company") will pay on behalf of each employee (the "Insured") of
Hockley County (the "Employer")
of 802 Houston, Levelland, TX 79336, all sums

(Address)
which the Insured shall become obligated to pay by reason of liability for breach of duty while acting as a duly commissioned and sworn Notary Public, claim for which is made against the Insured by reason of any negligent act, error or omission committed or alleged to have been committed by the Insured, arising out of the performance of notarial service for the Employer or others in the Insured's capacity as a duly commissioned and sworn Notary Public. The Employer shall be considered an additional named Insured under this policy.

POLICY PERIOD: This policy applies only to negligent acts, errors or omissions which occur during the policy period and then only if claim, suit or other action arising therefrom is commenced during the policy period or within the applicable Statute of Limitations pertaining to the Insured. The policy period with respect to each Insured commences on the later of the date hereof or the date of the Insured's employment by the Employer, and termination upon the earlier of the date of termination of such employment or the date set forth below.

The Policy Period commences at 12:01 a.m. on January 12, 2022, and ends at midnight on January 12, 2023.

LIMITS OF LIABILITY INCLUDING DEFENSE COSTS: The total liability of the Company for all loss (defined below) for all claims under this insurance against any one Insured including defense costs (defined below) shall not exceed the amount of

TWENTY THOUSAND AND NO/100 DOLLARS (\$ 20,000.00).

This limit shall apply in the aggregate so that the Company's total liability for all claims and/or defense costs relating to any one Insured shall in no event exceed this amount.

DEFENSE SETTLEMENT: With respect to such insurance as is afforded by this policy, the Company shall, provided the policy limit relating to an Insured has not been exhausted, defend, in such Insured's name and behalf, any claim or suit against the Insured alleging such negligent act, error or omission and seeking damages on account thereof, even if such claim or suit is groundless, false, or fraudulent. The Company shall give the Insured written notification of an initial offer to settle or compromise a claim no later than ten (10) days after the date on which the offer is made. The Company shall give the Insured written notification of any settlement of a claim no later than thirty (30) days after the date of settlement.

DEFINITIONS: Wherever used in this policy, these words shall have the following meanings:

- (a) "Defense costs" shall mean any and all: (1) expenses, including attorneys' or investigators' fees, paid or incurred by the Company in the investigation, settlement or defense of claims or suits; (2) costs taxed against the Insured in a suit defended by the Company; (3) premiums for bonds required in a suit defended by the Company, which bonds the Company shall have no obligation to furnish, but only for bonds up to the Company's limit of liability; (4) interest on a judgment as required by law until the Company offers the amount due under this insurance; and (5) reasonable expenses incurred by the Insured at the Company's request, other than loss of earnings.
- (b) Subject to all of the Exclusions of this policy (stated below), "loss" shall mean the total of: (1) sums the Insured legally must pay as direct compensatory damages because of claims covered by this insurance; (2) sums the Company agrees to pay in settlement of such claims, whether or not the Insured's legal liability has been determined; and (3) "defense costs" as defined above.

EXCLUSIONS: Coverage under this policy does not apply to any (i) dishonest, fraudulent, criminal, libelous, slanderous or malicious act or omission of any Insured; (ii) willful or intentional disregard of the law; (iii) bodily injury to, or sickness, disease or death of any person, including but not limited to, emotional or mental distress and related conditions; (iv) injury to or destruction of any tangible property, including the loss of use thereof; (v) fines or penalties imposed by law on any Insured; (vi) punitive, treble, exemplary or similarly categorized damages, including fines and penalties; or (vii) performance of notarial service for any business which an Insured owns, is a partner of, manages or controls.

OTHER INSURANCE: This insurance is excess over any other applicable insurance whether such insurance is primary, excess, contributory, contingent, or otherwise and whether such insurance is collectible or not, unless such other insurance is written to be specifically excess over the insurance provided by this policy.

INSURED'S DUTIES IN THE EVENT OF OCCURRENCE, CLAIM OR SUIT:

- (a) Upon knowledge of any occurrence which may reasonably be expected to result in a claim or suit, written notice containing particulars sufficient to identify the Insured and also reasonably obtainable information with respect to the time, place and circumstances thereof, and the names and addresses of the potential claimant and of available witnesses, shall be given by or for the Insured to the Company or any of its authorized agents as soon as practicable, but in no event longer than forty-five (45) days after discovery.
- (b) If claim is made or suit is brought against an Insured, the Insured shall immediately forward to the Company every demand, notice, summons or other process received by it or its representative.
- (c) The Insured shall cooperate with the Company and, upon the Company's request, assist in making settlements, in the conduct of suits and in enforcing any right of contribution or indemnity against any person or organization who may be liable to the Insured for acts, errors or omissions with respect to which insurance is afforded under this policy; and the Insured shall attend hearings and trials and assist in securing and giving evidence and obtaining the attendance of witnesses. The Insured shall not, except at his own cost, voluntarily make any payment, admit any liability, assume any obligation or incur any expense except with the prior written consent of the Company.

SUBROGATION: In the event of any payment for any loss under this insurance, the Company shall be subrogated to all of the Insured's rights of recovery thereafter against any person or organization and the Insured shall execute and deliver instruments and papers and do whatever else is necessary to secure such rights to the Company. The Insured shall do nothing after loss to prejudice such rights.

ASSIGNMENT: This policy shall be void if assigned or transferred without the Company's written consent.

ACTION AGAINST COMPANY: No action shall lie against the Company unless, as a condition precedent thereto, there shall have been full compliance with all of the terms of this policy, nor until the amount of the Insured's obligation to pay shall have been finally determined either by judgment after actual trial or by written agreement of the Insured, the claimant, and the Company.

Any person or organization or the legal representative thereof, who is signatory to such judgment or written agreement, shall thereafter be able to recover under this policy to the extent of the insurance afforded by this policy. No person or organization shall have any right under this policy to join the Company as a party to any action against an Insured to determine the Insured's liability, nor shall the Company be impleaded by an Insured or an Insured's legal representative.

CANCELLATION: This policy may be cancelled by the Employer by surrender hereof to the Company or any of its authorized agents or by mailing to the Company written notice stating when thereafter the cancellation shall be effective. If this policy has been in effect less than sixty (60) days, it may be cancelled by the Company for any reason. If this policy has been in effect for sixty (60) days or more, it may be cancelled by the Company prior to expiration for any one of the following reasons: (a) fraud in obtaining coverage; (b) failure to pay premiums when due; (c) on an increase in hazard within the control of an Insured which would produce an increase in rate; (d) loss of the Company's reinsurance covering all or part of the risk covered by the policy; or (e) on the Company being placed in supervision, conservatorship, or receivership, if the cancellation or nonrenewal is approved or directed by the supervisor, conservator, or receiver.

Cancellation given by the Company under this section shall not be effective prior to ten (10) days after the Company mails or delivers written notice to the Employer, including the reason for cancellation. The time of surrender or the effective date and hour of cancellation stated in the notice shall become the end of the policy period.

Upon cancellation by either the Employer or the Company, earned premium shall be computed pro rata. Premium adjustment may be made either at the time cancellation is effected or as soon as practicable after cancellation becomes effective, but payment of unearned premium is not a condition of cancellation. The Company may not cancel or refuse to renew this policy based solely on the fact that the Insured is an elected official.

NONRENEWAL: The Company may refuse to renew this policy by delivering or mailing written notice of nonrenewal including the reason for nonrenewal to the Employer not later than sixty (60) days before expiration of this policy. If such notice is not timely, coverage hereunder shall remain in effect until the sixty-first (61st) day after the notice is delivered or mailed. Earned premium for any coverage thus extending beyond the expiration date of this policy shall be computed pro rata based on the previous year's rate.

Dated, signed and sealed this 29th day of December, 2021.
