MEMO

TO: Honorable Mayor and City Council Members
Honorable County Judge and Commissioners

Re: Airport operator

At the last meeting the Airport Advisory Board discussed the transfer of our airport operator agreement from Dan Kubal to Richard Harvey.

Because of the demands of his spraying company, Kubal Aerial Spraying, Inc., it is becoming impractical for him to also operate the airport. Actually, our agreement is with Levelland Aero Services, Inc., of which Mr. Kubal was the President and sole shareholder. His intention is to sell his ownership interest in Levelland Aero to Richard Harvey, who will become its President and owner.

Although technically this doesn't result in a change because the City and County are still dealing with the same operator, Levelland Aero Services, Inc., nevertheless as a practical matter we will no longer be working with Dan Kubal and will be working with Richard Harvey.

Mr. Harvey owns HSI Turbines, Inc., which occupies the new hangar and operates an aircraft maintenance business which moved here in mid-2011. HSI services local planes and in addition, a considerable number of planes from outside of this area. This has resulted in increased usage of our airport, and having a permanent, on-site, maintenance facility is something that most other small town airports cannot offer.

After discussion, the Airport Advisory Committee recommends approving this transfer of ownership. Mr. Harvey is already working with Mr. Kubal, and is up to speed on airport operations, including the new fueling system. Another factor is that although Mr. Kubal was always available, often it was by phone because his aerial spraying operation extended into the upper Midwest. Conversely, Mr. Harvey's business is completely operated out of his Levelland airport site. He, as well as his staff, are always available to incoming aircraft, for fueling, maintenance, etc.

This transition will not result in any change in the City's and County's revenues or costs.
