**HOCKLEY COUNTY
PAUPER CREMATION / BURIAL POLICY AND PROCEDURE**

1. In accordance with Section 694.002 of the Texas Health and Safety Code requiring the Commissioners' Court to provide for the disposition of the body of a deceased pauper the following policy has been established to govern the disposition of the remains of a person who died within the boundaries of Hockley County.
2. Legal Authority – Section 711.002(a) of the Texas Health & Safety Code entitles a person or persons the right to control the disposition of the body of a deceased person and in accordance with Subsection (a-1) are liable for the reasonable cost of internment.

The order of those persons is:

- 1) the person designated in a written instrument signed by the decedent;
- 2) the decedent's surviving spouse;
- 3) any one of the decedent's surviving adult children;
- 4) either one of the decedent's surviving parents;
- 5) any one of the decedent's surviving adult siblings;
- 6) any adult person in the next degree of kinship in the order named by law to inherit the estate of the decedent.

Section 711.002(d) states that a person listed in the above section has the right, duty, and liability provided by that section only if there is no person in priority listed before that person.

Section 711.002(a-2) states if the person with the right to control the disposition of the decedent's remains fails to make final arrangements or appoint another person to make final arrangements for the disposition before the earlier of the 6th day after the date the person received notice of the decedent's death or the 10th day after the date the decedent died, the person is presumed to be unable or unwilling to control the disposition, and:

the person's right to control the disposition is terminated, and

- 1) the right to control the disposition is passed to the following persons in the following priority:
 - a) any other person in the same priority class under Subsection (a) as the person whose right was terminated; or
 - b) a person in a different priority class, in the priority listed in Subsection (a).
3. Pursuant to Section 711.002(k), any dispute among any of the persons listed in Subsection (a) concerning their right to control the disposition, including, cremation, of a decedent's remains shall be resolved by a court of competent jurisdiction. A cemetery organization or funeral establishment shall not be liable for refusing to accept the decedent's remains, or inter or otherwise dispose of the decedent's remains until it receives a court order or other suitable confirmation that the dispute has been resolved or settled.

 - 1) an inquest is held, the person conducting the inquest shall inter the remains; and
 - 2) an inquest is not held, the county in which the death occurred shall inter the remains.

5. The Hockley County Public Assistance Administrator or other designee, as assigned by the Commissioners' Court, shall be responsible for determining indigency, and for attempting to locate and contact any person(s) listed in Section 2 above and document all attempts to locate and contact such persons, the content of any conversations, and the date and time of such contacts, and shall maintain records.
6. The County Judge or Commissioners are authorized to approve or authorize the disposition of the body by any of the methods set forth herein, to bind the County to pay the cost thereof, and to sign any documents necessary to facilitate the disposition.
7. The choice of disposition of a deceased pauper's remains shall be cremation. However, if the deceased is an unidentified person then such person shall be buried rather than cremated.
8. Unless authorized by law, the County may not seize or take action to obtain reimbursement from a pauper's estate. However, to the extent not prohibited by law, the County may make a claim or file an action against a decedent's estate or heirs to recover the cost of disposition of a person who was not a pauper, but who was disposed of a County expense due to the operation of Section 711.002 of the Health and Safety Code.
9. Under Section 711.002 of the Health and Safety Code, relatives may donate funds toward the burial expense. The donation must be deposited with the County Treasurer who may deposit the money in to a special account rather than the County depository only if the Commissioners' Court has so ordered.
10. Per Section 694.002 the County may use any cash found on the deceased pauper to use towards the cost of cremation. Should cash total exceed the cost of cremation then the remaining funds must be placed in a trust account. This agreement is incorporated into the Interlocal Agreement for Provision of Equipment and Consumables ("County Agreement") and is subject to the provisions of the County Agreement and the County Equipment Guide, including but not limited to provisions relating to: equipment installation, RTS programming and hardware/software configuration, security, maintenance, equipment repair and replacement, equipment movement, unauthorized equipment use, building electrical requirements, accountability/inventory of equipment, training, and supplies.

1. If the county desires additional RTS workstations beyond what is allocated by the department, the workstations may be leased at county expense from the department.
2. The cost of leasing a basic RTS workstation¹ will be \$350 per year plus \$11 per year for an eLearning account, for a total annual lease cost of \$361. If a cable drop is needed for a workstation, there is a one-time cost of \$180 per drop. For workstations that are leased by the county for placement in a full service deputy ("FSD") office, there is an additional annual cost of \$4,260 per full service deputy site, per year to cover the T1 circuit cost.
3. Lease charges are billed annually on the county's annual invoice. Lease costs are prorated for the first year of the lease term based on the installation date, and the prorated amount will be included on the county's next annual invoice.
4. The county may request the department remove the leased equipment at any time. The equipment will be removed within 30 days of the request being received by TxDMV. The county will forfeit any portion of the annual lease fee that remains.
5. Costs for leased equipment and services are subject to change annually.
6. The county will indicate equipment requirements below (by site and quantity). Total annual costs can be projected using the table provided. TxDMV will compute final costs and the county will be billed in accordance with paragraphs 2 and 3 above.
7. In addition to the provisions of the original County Agreement, TxDMV's responsibility for equipment installed at FSD sites (i.e., privately owned, for-profit enterprises performing motor vehicle title and registration transactions for the county tax office) is limited to ensuring the equipment remains operational. The county will be responsible for all training, forms, supplies, user policy and procedures, etc., associated with this offsite equipment. This agreement will remain in force for as long as the County Agreement remains effective.

¹The Basic RTS Workstation includes all standard items for full functionality (monitor, CPU, keyboard, mouse, printer, software, support, and cash drawer, if necessary), in a normal environment.

8. Workstations identified below that are leased under the provisions of this agreement will be installed following approval of the County Commissioner's Court and after signature by the County Judge (or a designee when supported by a certified copy of the Commissioner's Court Order or Resolution, which must be attached) and counter signed by the Director of the Vehicle Titles and Registration Division of the Texas Department of Motor Vehicles.
