ARTICLE I PROGRAM

- 1.01 **Program Purpose and Term.** The Regional Public Defender for Capital Cases (the "RPDO"), funded proportionately by the Texas Indigent Defense Commission Multi-Year Discretionary Grant Program Funds (the "TIDC"), will provide court-appointed counsel for individuals charged with the offense of capital murder (death-eligible) in the participating counties and who cannot afford to hire their own attorney. Inmates in units of the Texas Department of Criminal Justice within the region who are charged with capital murder will continue to be represented by the State Counsel on Offenders, or by private counsel in the case of a conflict. Capital murder cases filed against inmates in units of the Texas Department of Criminal Justice shall not be counted in the average number of capital murder cases filed in a county.

Participant recognizes that counties from other Administrative Judicial Regions ("Region") are also participating in the program. Each county's participatory costs are based upon funding by the Texas Indigent Defense Commission that is expected to total \$4,200,000 in FY20 and \$4,200,000 in FY21. Of

this total, \$4,200,000 in FY20 and \$4,200,000 in FY21 consist of Sustainability Grant Funds from the Texas Indigent Defense Commission (“TIDC”). It is possible that the TIDC may consider additional funding mechanisms during Fiscal Years 2020 and 2021; however, the TIDC funding is not anticipated to be less than detailed above. The remaining portion of the program’s budget is cost-sharing commensurate with all eligible counties’ applicable inclusion in the program.

In order to provide sustainable funding for the RPDO and a fund balance for emergency situations, participating counties will contribute (with a minimum contribution of \$1,000 per county) per the detailed county allocation schedule marked as Attachment 1 and incorporated herein for all purposes. Based upon this cost-sharing approach, participating counties shall provide the remaining operating costs based upon a formula taking into account the population of the county as a percentage of the whole of the 181 participating counties (50%) and the average number of capital murder cases filed between 2003 and 2013 as a percentage of the 181 participating counties (50%).

The Interlocal Agreements shall become effective January 1, 2021 and continue through September 30, 2021. Thereafter, the agreements shall renew automatically each October 1st for a successive one-year term through September 30, 2021, unless terminated under this Agreement.

- 1.02 **Judges Authorized to Appoint RPDO.** The District Courts in the 1st, 2nd, 3rd, 4th, 5th, 6th, 7th, 8th, 9th, 10th, and 11th Administrative Judicial Regions in eligible counties may participate in the Program. The Program allows the Honorable Judge(s) of the Judicial District having jurisdiction within PARTICIPANT’s geographic boundaries to appoint the RPDO for the trial defense of death-eligible capital murder cases. In the event of a conflict of interest among defendants or a legal liability for the RPDO to accept appointment, the trial court shall appoint an attorney or attorneys other than the RPDO at the PARTICIPANT’s expense.
- 1.03 **Duties and Responsibilities of the RPDO.** The RPDO will represent defendants at the trial or re-trial phase only. All decisions pertaining to the presentation of the case will be at the sole discretion of the RPDO. The RPDO will at all times be guided by and comply with his or her duties as a licensed attorney in the State of Texas and the Texas Disciplinary Rules of Professional Conduct in making these determinations.
- 1.04 **Program Analysis.** At least quarterly throughout the period of the grant and at the end of the grant year, the RPDO will prepare an analysis of the Program, as well as an estimated cost for PARTICIPANT’s continued participation after all grant funds are expended. The analysis will consist of a fiscal analysis and an analysis of the effectiveness of the RPDO in meeting pre-established goals and objectives. The RPDO will provide copies of the analysis to PARTICIPANT’s Commissioners Court and to the Honorable Judges identified of the Participating Administrative Judicial Regions. PARTICIPANT shall have three months from the date the cost analysis is provided to the Commissioners Courts to consider the analysis and determine whether participant will continue to participate in the Program. If PARTICIPANT requests to continue participating in the Program, a new interlocal agreement as to funding and the funding cycle will be necessary.
- 1.05 **Data for the Analysis.** As consideration for its participation in the Program, PARTICIPANT agrees to provide the RPDO information as needed to conduct the analysis, including the current payment schedule for court-appointed counsel on capital murder cases and the previous five fiscal years’ data on the amount PARTICIPANT paid for appointed counsel on capital murder cases, if available.

- 1.06 **Additional Experts.** PARTICIPANT will continue to incur the expense of additional experts as approved by the local court.
- 1.07 **Fact Investigators and Mitigation Specialists.** The RPDO will provide a fact investigator and mitigation specialist to cases assigned to the RPDO office.
- 1.08 **No other Costs Incurred.** Neither the TIDC nor the RPDO will assume any additional costs associated with representation of indigent defendants. Costs of interpreters or any other collateral cost must be absorbed by PARTICIPANT.

No waiver of sovereign or official immunity, whether express or implied, is intended or made by this Agreement.

- 2.03 **No Partnership.** Nothing contained in this Agreement is intended to create a partnership or joint venture between the Parties, and any implication to the contrary is hereby expressly disavowed. - 2.09 **Non-Appropriation.** RPDO and PARTICIPANT recognize that any payments made for performance under this Agreement and any services provided shall be and are subject to the current revenues available to the respective party. Either party may terminate this Agreement, without incurring any liability to the other except to pay for any services already rendered, if funds sufficient to pay the obligations hereunder or to provide the services are not appropriated by the respective governing bodies of the parties. Unless terminated pursuant to other applicable termination provisions contained in this Agreement, in the event of non-appropriation of funds by a governing body of one of the parties to this Agreement for services provided under this Agreement, this Agreement shall terminate automatically on the last day of the then-current fiscal year or when the appropriation made for the then-current fiscal year for the services covered by this Agreement is spent, whichever occurs first.

The effective date of voluntary withdrawal shall be one hundred and eighty (180) calendar days after the withdrawing Participant gives written notice to RPDO.
- (b) **Involuntary Withdrawal.** PARTICIPANT shall be deemed to have involuntarily withdrawn from the Agreement upon the failure by the PARTICIPANT to pay any cost-sharing payment by the due date, as provided in a notice to the PARTICIPANT. PARTICIPANT shall be given thirty (30) days written notice of non-payment by RPDO and shall not be deemed to be in default until the expiration of thirty (30) days after receipt of the written notice.
- (c) In the event that PARTICIPANT withdraws under (a) or (b) and the RPDO is representing an individual or individuals after having been appointed by a court in PARTICIPANT'S county, beginning on the effective date of the withdrawal, PARTICIPANT shall be responsible for timely payment of \$150.00 per hour for the first chair attorney, \$125.00 per hour for the second chair attorney, \$60.00 per hour for the mitigation specialist and \$50.00 per hour for the investigator.
