Motion by Commissioner Carter, second by Commissioner Graf, 3 votes yes, 0 votes No, that Commissioners Court approved the Settlement Agreement between Hockley County and Terralogic Document Systems, Inc. for use in the Hockley County Clerk's Office. As per Agreement recorded below.

## SETTLEMENT AGREEMENT

**PARTIES:** This Agreement is made between Terralogic Document Systems, Inc. ("Terralogic") and Hockley County, Texas ("County").

**WHEREAS,** a dispute has arisen between the parties regarding the fact that the Hockley County Clerk's office ("Clerk") entered into an agreement in October 2022 with Terralogic to convert paper criminal case files into a digital format. As part of the agreement, Terralogic was to provide the Clerk's office with one hard drive containing all contracted materials. After receiving the hard drive, the Clerk's office used their 3<sup>rd</sup> party vendor to import the materials to their software. After the 3<sup>rd</sup> party import, it was discovered that a number of documents were not included on the original hard drive Terralogic provided. Terralogic located the missing materials that were inadvertently excluded from the initial transfer, thus requiring a second import from the 3<sup>rd</sup> party. As such, the Clerk's office was charged an additional fee by the 3<sup>rd</sup> party vendor to perform a second upload (hereinafter referred to as the "Dispute").

**WHEREAS,** the parties wish to settle and resolve all claims related to the Dispute without admission of liability and to avoid further legal proceedings;

**NOW, THEREFORE,** in consideration of the mutual promises and covenants contained herein, the parties agree as follows:

1. **Payment Terms:** Terralogic agrees to Pay Hockley County the sum of TWELVE THOUSAND FIVE HUNDRED/100 DOLLARS (\$12,500) ("Settlement Amount").
2. **Payment Deadline:** The Settlement Amount shall be paid to Hockley County within 30 days from the date of the adoption of this agreement.
3. **Payment Method:** Payment shall be remitted to the Hockley County Auditor's Office, 802 Houston Street, Suite 103, Levelland.

### RELEASE OF CLAIMS

**Mutual Release:** Upon receipt of the Settlement Amount, Hockley County releases and forever discharges Terralogic, including its officers, directors, employees, agents, successors, and assigns, from any and all claims, liabilities, demands, and causes of action arising out of or relating to the Dispute.

**No Admission of Liability:** This Agreement is entered into solely for settlement purposes and does not constitute an admission of fault or liability by either party.

### GOVERNING LAW AND VENUE

This Settlement Agreement shall be construed and interpreted in accordance with the laws of the State of Texas, and venue shall be Hockley County, Texas in the event that litigation arises out of this Settlement Agreement

**ENTIRE AGREEMENT:** This Agreement constitutes the entire understanding between the parties and supersedes all prior agreements or understandings.

**SEVERABILITY:** If any provision of this Agreement is found to be invalid or unenforceable, the remaining provisions shall remain in full force and effect.

**IN WITNESS WHEREOF,** the parties have executed this Agreement as of the date first written above.

As per Acceptance Agreement for Drug and Alcohol Program recorded below.

## Acceptance Agreement for Drug and Alcohol Program

Allied Compliance Services, Inc.® and Hockley County,  
hereafter referred to as The Company, enter into this agreement on 5-5-25 to  
provide drug and alcohol testing services for a period of one year, renewed yearly thereafter, to include the following  
for the above-mentioned client:

### Random Program Maintenance:

#### ACS Responsibilities:

- Provide a computer-based random listing for The Company as agreed upon.
- Manage required policy random percentages to be met by end of year.
- Maintain an updated employee list for quarterly random selection.
- Mail or email annual MIS reports on a timely basis.

#### Client Responsibilities:

- Assist in coordination of scheduling for onsite testing or in-office testing to ensure the required testing is completed by the end of the period.
- Provide current employee lists for random program when requested.
- Fax, mail, or email a written notification of new hires or employees no longer employed.

### Notification of Test Results:

#### ACS Responsibilities:

- Notify the listed contact person of all pre-employment, random, reasonable suspicion, post-accident, return to duty, and follow-up testing results by phone, mail, or email.
- Notify The Company immediately by phone or secure fax of any positive test result. The test result will be forwarded as soon as possible by mail or email.
- Recommend the required action regarding positive test results.
- Maintain records for the minimum time required by law.
- Assure that all test results are kept confidential in secure files.

#### Client Responsibilities:

#### Client Responsibilities:

- Notify ACS as soon as possible when an employee has an accident.
- Remain accessible for any questions regarding the accident.

### Follow-up Testing Program:

#### Client Responsibilities:

- Carry out the SAP's follow-up testing requirements according to 49 CFR Part 40.309  
(Note: Return to duty and follow-up tests must be observed.)

Allied Compliance Services, Inc.® reserves the right to terminate this agreement with The Company with valid reasoning for termination of agreement.

Valid reasoning of termination may include, but is not limited to the following: unreasonably uncooperative in ensuring random testing completion, open account balance of more than 90 days past due, or more than three scheduled on-site testing cancellations without 24-hour notice.

If the client is a member of a consortium, random testing that is not completed may ultimately affect the consortium. In the event that the client is not cooperative in random testing completion, Allied Compliance Services, Inc.® may take the client out of the consortium and maintain the client as a private account. The client then will be responsible for completion of random testing for their employees. Uncompleted testing will be reflected for the individual client, which could ultimately result in non-compliance for random testing percentages.

It is the responsibility of Allied Compliance Services, Inc.® to retain files to meet security and confidentiality requirements of state and federal government agencies to meet DOT and HIPPA guidelines as they apply to our service.

The Company does hereby assign Allied Compliance Services, Inc.® as our Third-Party Administrator, the authority to receive all drug test results from the Medical Review Officer and/or the Laboratory for the term of agreed service.

This agreement may be terminated by either party with a minimum of thirty (30) days notification with a basis of reasoning. The parties hereto have executed this agreement on the day and year above written.

We received a call reporting a grass fire at said location. While enroute we requested T9 for water assistance and advised PD to contact Smyer since that was their district. Upon arrival and after investigation the fire was out on arrival and we used B14 to extinguish the fire. We cancelled T9 and sent them back to the station. We then finished hitting hot spots and returned to the station and put the trucks back in service.
